## From the Manager

By Erin Dougherty

I am excited to announce that the much anticipated renovations to the Women's 19<sup>th</sup> Hole and Locker Room, and the resurfacing of all 13 Tennis courts, has begun. In fact, by the time you receive this edition of The Dominion newsletter, two or more tennis courts

will have been completely resurfaced and demolition will have begun on the Women's 19<sup>th</sup> Hole.

I think we call this progress?

It is our goal to minimize the disruption to your usual routines

during the completion of these much needed improvements. However, as a wise chef once said, you can't make an omelet without breaking a few eggs; and so it goes with us.

We will do our best to work around important dates and events, and to keep you posted as to our progress and the up-coming restrictions that will surely arise. Thank you for your understanding as we move another

step closer to restoring The Dominion to its rightful condition.

## From the Chairman...

By Ed Kelley

The spring season is now upon us and what a wonderful time to take advantage of the many benefits that membership of The Dominion Country Club avails us. I have been a member of the Club for over 15 years and still enjoy using the Club to entertain family members, friends, business clients and others.

As I think about my current role as Chairman of the Dominion Board, I believe one of my primary functions is to serve as a conduit between the membership and ownership. I know the ownership is committed to ensuring that The Dominion remains a world class facility that delivers outstanding service to the membership. However, in any membership organization, particularly a country club, communication is important and that applies to the need for both positive and negative feedback.

It is my personal desire to provide meaningful communications from the membership to the ownership. To that end, please feel free to visit with me any time at the Club or in any other instance where we happen to meet. Also, you can contact me through Kelly Thompson, at the Dominion Country Club, by dialing 698-2059. She will promptly relay the message and I will respond as quickly as possible.

I hope each of you have a great spring and a continuously wonderful Dominion Country Club experience.

*Tony Miller*

### Aerification

It's that time again! The course will be closed Monday, May 12th as we aerify greens, tees and approaches. Although sometimes a dreaded word to our golfing members, this highly beneficial agronomic practice is the ideal way to de-thatch, relieve compaction and reintroduce air and nutrients to the soil system and roots. As always, our goal is to provide the most optimum playing conditions with the least amount of disruption.

Thank you for your continued support of our maintenance team as they work to provide outstanding playing conditions for our outstanding Dominion Members!

## From the Membership Desk

*By Jonnie DeCotis*

On a beautiful Friday evening in April, the Club hosted a party to celebrate our many new Members from 2007, and their Member Sponsors. We all enjoyed magnificent food, great music and, of course, the company of one another! A highlight of the evening was the drawing of fabulous prizes. Art and Pam Burdick won Sunday Brunch for Two for the entire year, Tim and Loy Thompson won Tennis Clinics for Two for the entire year and Ross and Sue Palmer's names were drawn for Trail Fees for Two for the entire year! Member Sponsorship certainly has its rewards, and is a Club life-line! We thank you all!

Member Sponsorship during 2008 will be simple with our new Friends and Family Program! Details of this terrific plan will be forthcoming, but I assure you, it will be a wonderful way to fill our great Club with those closest to you!

Please don't forget to stop in and say hello the next time you visit the Club!

## The Dominion Singles Club Championships

Saturday, May 24 – Monday, May 26

A Singles Level or Division for everyone from 2.5 to Open! The format this year will give players shorter matches until the final round on Monday. We will set up a round robin tournament for each level guaranteeing each player more matches, setting up for Memorial Day's Finals. Beverages will be available all weekend. Sign up and make this your year to play!

## Memorial Day Tournament and Singles Championship Finals

Monday, May 26

Play in this Annual Family Tennis Extravaganza Tournament. Every year this event gets better and better. All our Singles Finals will begin at 9 am and I invite you to come out and see Dominion's best compete. At 10 am the real fun begins. Joe, Dan and Barry will host their own tournaments throughout the morning. Joe will play his now very famous "3-2-1" game, and Dan's "Cantuarama" is now legendary on Saturday mornings. Barry will host the very active "Olympic Tennis". Once all these games are complete, the "1 Point Tournament" will begin. All players will play a normal "knock-out" tournament with only 1 point deciding each match. Of course we will have the "Egg Toss", "Water Melon seed spitting" and "racquet throwing" competitions and finish with the Classic Exhibition pitting Barry and Dan against some of our best local college players. Expect to win a great prize from Head, Wilson or Prince. A raffle for the latest and greatest racquet from each company

will take place for all those entered. Adults and Children are all invited.

## The Dominion "Spin" Clinic

Barry and Joe have put together a magnificent Friday and Saturday evening and afternoon of tennis instruction. Every possible spin you can put on the tennis ball will be introduced or practiced. Every level of player will benefit from Dominion's two great pros' knowledge of the game as they show you how to incorporate spin into your games. Food and libation is included. Call Barry or Joe for more details.

## Summer Camp is Here!
