From the Manager

By Erin Dougherty

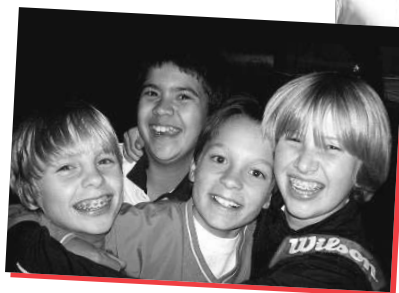

As spring rolls into summer there is no shortage of events, activities and happenings to report:

For the tennis players in the family, early reports are that the newly resurfaced tennis courts play as good as they look. Timed perfectly to complete as the summer tennis season begins, the 13 newly renovated courts are a great addition to an already healthy tennis program.

The long anticipated remodeling of the Women's 19th Hole and Locker Room has been completed in time for the Diamond Classic, and I am happy to say, to positive reviews. This much needed improvement to our Club did not come without some sacrifice and inconvenience to our Ladies, and for their support and encouragement I offer my sincerest appreciation.

Summer kicks off endless opportunities for the entire family: The Swimming Pool and Cabana are in full swing Tuesday through Sunday; The Dominion Dolphins Swim Team is swimming; Swimming Lessons for all ages are in full swing under the direction of Aquatics Director Rene Rodriguez; Father's Day features a Day with Dad, golf, fishing and BBQ; Friday nights bring "Dive In" movies at the pool, The July 4th Weekend offers Golf for the Golfers, Tennis for the Tennis Players, games for the kids, food & drink for the malnourished and fireworks for the kid in all of us. And those are just the highlights!

Speaking on behalf of all the Employee Partners of The Dominion Country Club, we wish for you and yours a happy, safe and memorable summer. If at any time there is anything I, or any of my staff, can do to improve your Dominion experience, please do not hesitate to ask.

From the Chairman...

By Ed Kelley

With Fathers Day coming up June 15th, I believe this is a good time to think of ways we can honor our Dads and let them know how much we appreciate them. It is my impression that most of our fathers possess the necessary essentials of life, and so one of the greatest gifts we can give is the gift of sharing our time with them. I know this is true with my own family in that any gift they give me is appreciated, but the gift I value most is the ability to spend time with my children and grandchildren.

With this thought in mind, perhaps it would be nice to treat your father to a round of golf at our beautiful Dominion Country Club course so you can share some great time together. Or, during this Fathers Day season, maybe Dad and Mom would savor a sumptuous dinner at the Dominion Country Club grille, or enjoy sharing with you some of the other activities that the Club has planned over the next few weeks.

As members of the Dominion Country Club, we are fortunate to be part of a great membership that provides many opportunities for fun and family togetherness. With the beautiful weather and wonderful facilities that are available to us, let's

find time to use the Club, and at the same time, build valuable memories with our families.

A Warm Welcome to Our Newest Member!
